Amesbury Snow Emergency Declared

Please be aware that Mayor Ken Gray has declared a snow emergency for the City of Amesbury effective Monday, February 02, 2015 at 7 am through Tuesday February 3, 2015 at 7 am. Should the storm be more severe than anticipated the Snow Emergency may be extended. Please monitor the city's website www.amesburyma.gov for any updates.

All Amesbury residents are reminded that during a declared snow emergency, parking on any public roadways is prohibited. Residents should move any vehicles to designated public parking areas for the duration of the snow emergency. This will allow Public Works personnel to clear snow and allow for the movement of Emergency Vehicles.

Parking to accommodate essential services and shopping in the downtown area is available in area parking lots. Any vehicle illegally parked or hampering snow removal operations will be ticketed and could be towed at the owner's expense.

Residents are urged not to call Police, Fire or 911 for storm information, as calls to these officials should be for emergency requests only. Non-emergency calls regarding the storm should be directed to 978-388-8155. Residents are urged to listen to radio and television reports for any updates, extensions, or cancellations of this snow emergency declaration, school closings and other public information.
